Reasons for Allowance

However, the prior art of record fails to disclose unique method steps of "receiving user defined rules over a user interface and comparing the information, in a received call request, with user defined rules and, consequently, invoking the web browser based on comparing the information with user defined rules", rendering claims 1, 17, 25, 29, 30 and 31 allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
